To Whom It May Concern:

RE: ADAS Calibration Centers, LLC

Dear Sir or Madam,

Please let this letter serve as confirmation that our client, ADAS Calibration Services, LLC, has Garagekeepers Liability (MP T3 03 11 03) on their current business insurance policy with Travelers, to include Operation of Customers Autos Garage Operations (MP T3 28 11 03).

Each claim is adjusted and adjudicated based on scenario and individual basis. Without claim specifics, we can only provide general terms outlined in the policy.

ADAS Calibration Centers, LLC does have Non-Owned Liability, which includes test driving in connection with their auto business. Defined in the Travelers policy, "Garage operations" means the ownership, maintenance, or use of locations for the purpose of selling, servicing, repairing, parking or storing "customers autos" and that portion of roads or other accesses that adjoin these locations. "Garage operations" also include all operations necessary or incidental to the performance of garage operations. (Operation of Customers Autos Garage Operations Endorsement/MP T3 28 11 03)

If there are any additional questions, please do not hesitate to contact our office.

Best Regards,

Jeanette Flores
